

Say I Love You

With 'Jewels'

Featuring the
EXCLUSIVE
Swarovski Jewels
Heart Ornament-
Available only in
this special set!

For the first time ever a light peach colored Xilion™ crystal stone serves as the famous "Button in Ear."

Presenting the loveliest new addition to the series of Swarovski bears from Steiff. Meet Jewels™, a stunning light peach mohair bear based on a classic 1950's Steiff design.

Jewels™ features all the hallmarks that make each Steiff Teddy so unique with a few distinctive, additional touches. Her hand-stitched nose is heart-shaped, adding to her feminine charm. Her name is delicately embroidered on her paw pad in elegant script type. Instead of a traditional Steiff "Button in Ear," you'll find a dazzling, light peach Xilion™ crystal stone in her ear. And as a crowning touch, Jewels™ wears a gorgeous Swarovski heart ornament around her neck. The sparkling ornament is engraved with the year 2007 and is available only in this special set.

Jewels™ is the perfect gift for any occasion to say I Love You - Valentine's Day, Mother's Day, birthdays, and more.
